My office represents Chuck Johnson in this request for public records submitted pursuant to California Government Code section 6250 *et seq.*, the California Public Records Act (PRA).

This request is for the following public records:

This is a request for electronic records in their original electronic format. (Gov. Code § 6253.9.) If records are available in both an electronic format and a hard-copy format, please provide only the electronic records. You can email the electronic records to me at chad@chadmorgan.com. For any record that is not available electronically, please provide me with the actual cost of duplicating the records.

Should you withhold responsive records, please justify the withholding of the record in writing with a demonstration as to why the record is exempt from disclosure. (Gov. Code § 6255, subd. (a).) Please also
